BIENVENIDOS A DEL MAR!

Founded in 1937 by Bing Crosby, Pat O'Brien and many of their Hollywood friends, the Del Mar Racetrack enjoys an enviable international reputation as one of the most pleasant, and friendly, settings for thoroughbred racing in the world. The proximity to the Pacific Ocean and the matchless summer climate, combined with a vacation-land atmosphere, are primary reasons for this appeal. But Del Mar is also famed for its topflight presentation of the best in racing from a competitive standpoint. It is an integral part of the California major circuit and has seen many of the greats of racing perform on its main track and infield grass course throughout the years. Del Mar is also unique in that its facilities are owned by the State of California through the 22nd District Agricultural Association, operators of the Southern California Exposition and San Diego County Fair which annually attracts upwards of 500,000 visitors each summer, prior to the race meeting.

A new era in Del Mar's history began in 1970 when a corporation known as the Del Mar Thoroughbred Club, headed by Chairman Thomas M. Hamilton of San Diego and seven prominent California thoroughbred owners and breeders, began a 20-year lease with the 22nd District. Dedicated to a "sports for sports sake" policy, the new group was organized on a non-dividend paying basis and a plan of devoting all of its profits to improving facilities and aiding the thoroughbred industry in California.

Under terms of the lease, a \$25,000,000 capital improvements plan to improve the Del Mar fairgrounds and racing facility is funded from profits derived from the racing operation. When \$25,000,000 in capital improvements have been funded from racing profits, Del Mar Thoroughbred Club will continue its commitment to further improve the facility and aid the Thoroughbred industry in California. Neither directors nor stockholders ever will receive individual remuneration.
